

يسوع المسيح هو الرب

This Just In!

Reports that people, who were born into and reside in those countries with the canopy of false faith over them, ARE coming to saving knowledge of the Lord Jesus, ARE becoming more than just common.

Because this has been the focus of the Prayer Force, even reason for existing, we are excited to bring you the following:

“My friend came to the Lord in August of 2010. She attends New Life Christian Center. She was baptized in Jesus’ Name in June 2011 and received the Holy Ghost in July 2011. She is seeking His perfect will for her life as she continues to grow for Him”.

This report came to us just as we were getting underway preparing these Notes. It was written by a pastor’s daughter, who lives somewhere in the Eastern U.S. She volunteered to send the report; I asked her to please refrain from using personal names, names of religions or countries.

We say “Glory Hallelujah”, all praise to the Lord for this Report!

Thank You, Young Contributor.

Blessings to you All, as you pray for the release of the Souls bound in this manmade prison. Read with prayerful devotion Luke 4:16-21 (from Isaiah 61:1-3).

If you have a story, please send it to us. The world needs to hear it.

For Next Time: “So, Tell Me of Your Faith”.
